

Idea Competition 2026 for EDP Application Form (Batch 01)

Capacity Building of Universities in Bangladesh to Promote Youth
Entrepreneurship Project
Innovation, Creativity, and Entrepreneurship Center (ICE Center)
University of Dhaka

Application Deadline: 18 July 2026

Thank you for your interest in the **Idea Competition 2026!**

The **Idea Competition 2026 for the Entrepreneurship Development Program (EDP)** under the “**Capacity Building of Universities in Bangladesh to Promote Youth Entrepreneurship**” project aims to identify innovative, impactful and commercially viable ideas /solutions from university students and graduates/alumni across Bangladesh and guide those ideas/solutions into impact enterprises.

Please note that to be eligible, the **Applicant (team leader) must be a student or alumnus from the seven eligible Universities in Bangladesh**. Other team members, if applicable can be from any institutions in Bangladesh.

Through this competition, participants will have the opportunity to showcase their entrepreneurial potential, receive expert feedback, and gain access to a structured entrepreneurship education program designed to strengthen their knowledge, business development skills, venture-building capacity and practical implementation readiness along with funding opportunities.

Benefits:

The Idea Competition 2026 is a part of the Entrepreneurship Education and Development program. All the shortlisted 50 applicants from the Idea Competition 2026:

01. 318 hours of Training and Mentorship Opportunities: Will get the opportunity to join with a pool of 50 ideas/solutions (batch 01) from the Idea Competition 2026 for the complimentary 318 hours of training, mentorship and industry experience program with Certificates and Credentials.

02. Access to BDT 55 Lac Seed Funding Opportunity: Will have the opportunity to be one of the Top 14 ideas/solutions who will be considered to receive seed funding of BDT 10 lac (1st Prize); BDT 06 lac (2nd Prize); BDT 05 lac (3rd Prize); and BDT 03 lac each (4th to 14th Prize) subject to fulfillment of criteria and successful completion of the 318 hours of training and mentorship.

03. Network and Linkages: Network and Linkage supports with relevant stakeholders for all the 50 shortlisted applicants

04. Allowance: Allowance will be provided to selected applicants (need basis) subject to successful completion of the 318 hours of training and mentorship.

05. Prize: In addition, prizes will be provided to the top 03 selected applicants for participating the Idea Competition 2026 after successful completion of the 318 hours of training and mentorship.

Eligibility and Notes:

1. ANYONE may apply, provided that at least one team member (the applicant/team leader)
is a current student or alumnus of one of the partner universities under the project. Other team members (if applicable) may be from different universities, disciplines, or professional backgrounds, provided this eligibility requirement is met.
2. Partner Universities: University of Dhaka (DU), Bangladesh
University of Engineering and Technology (BUET), Bangladesh Medical University (BMU), Bangladesh Agricultural University (BAU), University of Rajshahi (RU), University of Chittagong (CU), and Khulna University of Engineering & Technology (KUET).
3. Only complete applications submitted on or before the stated deadline will be considered for screening and shortlisting.
4. Shortlisted applicants/teams will be invited to present their ideas/solutions in person at the Idea Competition 2026 to be held on July 22-23, 2026.
5. Following the in-person assessment, selected participants will be enrolled in an intensive 318 hours of Entrepreneurship Education Program delivered through in-person and/or hybrid sessions.
6. The curriculum is designed to strengthen participants' entrepreneurial knowledge, business development skills, and venture-building capabilities through practical learning, mentorship, and hands-on activities.
7. The program is expected to require approximately 20 hours per week, including tentatively weekend sessions and weekday sessions, over an approximately four-month period.
8. At least one approved team representative must attend the required training sessions, activities and program initiatives.
9. Submitted ideas/solutions must be original. Any use of third-party materials, partnerships or previously developed work should be clearly disclosed where relevant
10. The organizer reserve the right to verify eligibility, request additional documents and disqualify applications containing false, misleading or incomplete information
11. Submission of an application does not guarantee shortlisting, selection or enrollment in the program

12. The eligible member must upload a valid supporting document, such as a Student ID, attestation letter, certificate, transcript or mark-sheet.
13. The organizers reserve the right to verify eligibility at any stage of the competition.

We encourage applicants to provide clear, accurate, and detailed information and necessary documents to support the evaluation process.

The overall objective of the project is to strengthen the entrepreneurship education and development of Universities in Bangladesh. The project is implemented by the Innovation, Creativity and Entrepreneurship Center (ICE Center), University of Dhaka (DU) in partnership the University Grants Commission of Bangladesh (UGC) and Ministry of Education (MoE), and with kind support from the Korea International Cooperation Agency (KOICA) Bangladesh. Other partner universities for the project are: (2) Bangladesh University of Engineering and Technology (BUET); (3) Bangladesh Medical University (BMU); (4) Bangladesh Agricultural University (BAU); (5) University of Rajshahi; (6) University of Chittagong; and (7) Khulna University of Engineering and Technology (KUET). A team of experts from South Korea represented by the Project Management Consortium (PMC) is providing the valuable insights and experience in this initiative.

We look forward to receiving your innovative ideas towards developing the next generation of entrepreneurs in Bangladesh.
